MSN/MBA

Registered nurses interested in obtaining a Master of Business Administration (MBA) as well as a Master of Science in Nursing (MSN) may pursue a dual degree in business administration and nursing. Degree requirements for this program vary significantly from the information provided in this catalog for the individual degrees. Contact either the MBA Program Director or the Director of the Department of Graduate Studies in Nursing for specific information and program requirements. The MBA curriculum is listed below; refer to the College of Nursing and Health Sciences (https://catalog.lewisu.edu/graduate/nursing-health-sciences/graduate-studies-nursing/msn/) for MSN curriculum.
