

POST-GRADUATE NON-DEGREE

Overview

The College of Nursing and Health Sciences Graduate Studies in Nursing offers post-graduate non-degree certificate programs. A master's degree in Nursing and a GPA of 3.0 or above is required for enrollment in all post-graduate non-degree certificate programs. Additionally, other admission criteria for the MSN degree program specialty area apply. An official transcript is required to verify completion of the master's degree in Nursing.

The post-graduate certificate options available are Healthcare Systems Leadership and Nursing Education. It takes approximately one year to complete either the Healthcare Systems Leadership or Nursing Education programs. Tuition for certificate program courses is listed at: <https://www.lewisu.edu/welcome/offices/business/bursar/tuitionrates.htm>.

Upon completion of the non-degree certificate program, the student will receive a certificate from the College of Nursing and Health Sciences as well as have graduate credit hours posted to an official transcript.

Programs
