

PHARMACY / DUAL ACCEPTANCE PROGRAM LEADING TO DOCTORAL STUDIES

Total Credit Hours: 44

A grade of "C" or better must be earned in a prerequisite course in order to advance to the next course in the sequence.

The Biology Department will award three hours of credit for the General Education class BIOL 10000 Introduction to Biology when students have received a score of 4 or 5 on AP tests. No credit is awarded for major classes based on AP scores.

Requirements

Degree Requirements

The paradigm outlined in the Dual Acceptance Program Fact Sheet must be followed EXACTLY to complete all prerequisites prior to entering Chicago College of Pharmacy.

General Education courses can be taken in any order. However, no substitutions are allowed. No courses may be completed away from Lewis University – this includes any junior college credit awarded prior to attending Lewis University (that is, you cannot transfer in credit to lighten the credit load during the two-year period). Any student failing to complete the courses listed in this paradigm automatically forfeits pre-admission status to CCP.

Code	Title	Hours
Core Courses		
BIOL 11000	General Biology 1	4
BIOL 11100	General Biology 1 Lab	1
CHEM 11000	General Chemistry 1	4
CHEM 11100	General Chemistry 1 Lab	1
BIOL 11500	General Biology 2	4
BIOL 11600	General Biology 2 Lab	1
CHEM 11500	General Chemistry 2	4
CHEM 11600	General Chemistry 2 Lab	1
MATH 20400	Calculus for the Life Sciences	4
	or MATH 20900 Calculus 1	
CHEM 23000	Organic Chemistry I	3
CHEM 22100	Organic Chemistry I Lab	1
CHEM 23500	Organic Chemistry 2	3
CHEM 22600	Organic Chemistry 2 Lab	1
BIOL 32000	Biostatistics	3
BIOL 33500	Advanced Clinical Physiology	3
BIOL 33600	Case Studies in Human Physiology	1
PHYS 20000	College Physics 1	4
PHYS 20100	College Physics 1 Lab	1
Total Hours		44
