BUSINESS ADMINISTRATION / ASSOCIATE OF ARTS

The Business Administration curriculum is intended for students who are interested in pursuing a baccalaureate degree in business administration or related fields at a four-year institution. This program covers a wide range of topics, including accounting, finance, marketing, management, and human resources. The general education core for this degree complies with guidelines of the Illinois Articulation Initiative (IAI). *Offered at the St. Augustine College at Lewis University location only.*

Program Outcomes

At the end of the program, our graduates will be able to:

- Identify the accounting standard principles and be able to prepare basic financial statements.
- Demonstrate a basic understanding of business organization concepts and theories, and decision-making skills based on data and critical thinking.
- Describe the basic macro and microeconomics theories and market structures in order to describe their implications related to government, business, and individuals
- Complete a business plan demonstrating the application of the basic principles of business organization, operations management theories, and accounting, finance, and marketing concepts.
