The following degrees will be awarded by Lewis University as part of the merger with St. Augustine College. No new students will be admitted to these programs. Existing students may complete these programs of study by following their original catalog requirements taking equivalent Lewis University courses through consultation with their advisor. Only currently enrolled students in these programs are eligible to attain the degrees below, as follows:

- Domestic Violence / Concentration (in Psychology / Bachelor of Arts)
- Business Management / Associate of Applied Science
- Database Management / Concentration (in Computer Information Systems / Bachelor of Science)
- Culinary Arts / Associate of Applied Science

Students under the following major program will join the existing alternative Lewis degree program with the same major name.

- Bachelor of Social Work (merged under Social Work / Bachelor of Arts)
